## God gives grace & power for each new season.

In light of the end of another school year and moving toward the close of many of our church ministries for the year as we head into summer, I have been reminded in scripture of God's provision for the seasons in life.

I'm encouraged to think that God is not taken aback by the end of a season in my life because He's already THERE – no matter where there might be for me. The Psalmist wrote in Psalm 139:7-10:

*Where shall I go from your Spirit? Or where shall I flee from your presence? If I ascend to heaven, you are there! If I make my bed in Sheol, you are there! If I take the wings of the morning and dwell in the uttermost parts of the sea, even there your hand shall lead me, and your right hand shall hold me.*

I'm also encouraged to read that when Jesus was about to return to the Father, He told His disciples to wait in the upper room for the Holy Spirit to come upon them. As He was closing His "season" with them here on earth, He was ahead of them and empowering them for their next season. As I look through scripture, I see God doing this repeatedly. It exemplifies His promise to always be with us and never leave or forsake us.

It's easy to see the seasons of life as you look back over the years. But it's not always easy to recognize the changes as they are occurring. That's because there are different kinds of seasons in our life. Some are planned, and others are unplanned, but both cause us to need a special measure of God's grace and presence to help us keep going.

A season that comes at its appropriate time is like the end of a school year, graduation, a wedding, or retirement. Like spring, summer, winter, and fall, these seasons arrive as they should at the time that they should. While we are caught up in the plans, preparations, and celebrations, the change happens, and we miss the full weight of it in the moment. Many times, we don't truly realize it all until it's over. Then, in what seems like a split-second, our little ones are grown, and are soon gone from our nest and to their next season in life. That's when I realized how short that particular season had been and how wonderfully sweet those times of cackling laughter, sniffly noses, and warm snuggles from my kids.

On the other hand, some seasons arrive unexpectedly and burst on the scene like a bull in a china shop. The sudden sickness or death of a loved one or special friend, a life-altering injury, job loss, or financial crisis. These seasons spring on us like a carefully set trap from out of nowhere and drive us into immediate dissonance with life. We are hurt, perplexed, and driven to our knees in prayer. These seasons of life are so difficult.

No matter which season you are facing, remember that God is not taken by surprise by the change. He is HERE with you right now to give grace and power. He will be with you THROUGH this season of change and will be with you THERE when it's over.

I shared with our college students at a commissioning service this week that in times of change in the Bible, God wanted His people to have faith in His PRESENCE more than their accomplishments or abilities. God said to Joshua as his seasons changed:

*Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go." - Joshua 1:9*

You are either in a season of change or headed for one. So, hang on, "for the Lord your God is with you wherever you go." Isaiah wrote these particular words by inspiration of God and they have helped me through my years of life and ministry:

*"When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you." Isaiah 43:2-3a*

Love and Blessings!

# MINISTRY NEWS

God is doing some exciting things around the TBA! I have been so blessed to see the partnerships in services, ministries, and revivals among the TBA. We are Better Together and y'all are proving that to be true. We've still got a long way to go but we are moving on up!

I was privileged this month to worship and preach at Western Heights (Pastor Jason Jones) the Sunday after Easter. It was great to be back where my ministry started in 1987 as Minister of Music and Youth.

Sunday, April 14, I enjoyed worshipping with the church at Bethel Baptist (Pastor Chris Hendricks) in their new building. They have done a remarkable job recovering after last year's tornado destroyed their building. They have

worked so hard and raised a beautiful building from the rubble. Praise the Lord for His hand and their commitment to the task. A group from Shoal Creek Baptist Church in North Georgia was there to worship as well. It was a wonderful day of praise and a great message from Pastor Chris.

## BETHEL BAPTIST, West Point

**YOU'RE INVITED!!!**  
We would love for you to join us in worship!

**Service Times:**

Group from Shoal Creek (White County)

Sunday, April 21, I was able to be back at Franklin Road Baptist (Pastor Trace Lasher) to present a beautiful and sweet blanket made by Beverly Tarleton, from T-shirts we sold during Alyssa Shirey's battle with cancer. My sweet buddy, Alyssa, would have turned 20-years-old this month and we love and miss her. Pictured with me are Melissa, Charlie, and Shawn Shirey.

Several "end-of-the-year" events took place for the BCM. We had a night of worship and fellowship on the Residential Quad with special help cooking burgers and hot dogs from Chris and Brittany Walker (Rosemont). Bro. Chris also brought a great message after the BCM Praise Band led over 100 students in worship. It was a great success!

## WMU SPRING LUNCHEON

April 20 was our annual WMU Luncheon and it was a special time with great attendance & fellowship, food, information, music, and prizes. Special thanks to Mrs. Judy King and her team from Lakeview Baptist for putting this together and serving so well. Thanks to Grace Baptist for hosting us in their fellowship building. And thanks to Angela Maddux for all of her work in coordinating everything.

We were challenged from our own Pam Murphy (Rosemont) to pray for and participate in the Reading Program here in Troup County that works with 1<sup>st</sup> Graders. Anyone can volunteer to read with the children. She also told us about Camp Rockridge and Camp Pinnacle.

After a great lunch from Sloppy Pig, our main speaker was Keri Perkins from Carrollton and the GBMB. She challenged us to work with our schools as well and told us about the overall plan by MISSION GEORGIA called READ GEORGIA. Following her presentation, we enjoyed a few songs from Pastor Ken Cole (Dunson) to close out the program.

Every church should make plans to be a part of this special time next spring and keep us updated on what your WMU/Baptist Women's group is doing.

BCM students enjoyed a tour at the Biblical History Museum on Saturday, April 13. The museum was nice to give us a great discount and the tour was amazing. If you haven't been to this jewel in our own backyard, you need to go!

## On The Lighter Side

An old nun, who was living in a convent next to a construction site, noticed the coarse language of the workers and decided to spend some time with them to correct their ways. And so, she decided she would take her lunch and sit with the workers. She put her sandwich in a brown paper bag and walked to the spot where the men were eating. Sporting a big smile, she walked up to the group and asked: "Do any of you men know Jesus Christ?"

They shook their heads and looked at each other, very confused. One of the workers looked up into the steelworks and yelled out, "Anybody up there know Jesus Christ?"

One of the steelworkers yelled down. "Why?"  
The worker yelled back, "His Mom is here with his lunch."
