## Fun with Cicadas

For some of you, fun is the last thing you think of when you encounter our little friends who have recently come to the surface of our planet. But I've enjoyed watching and listening to them over the last several weeks, and we've had some good laughs about them at our Pastor's meetings, too. We've had some pretty good three- and four-point sermons come to light about our new friends, but I'll let them share those with you.

Here are just a few quick hits from me as I consider what I might learn from "Fun with Cicadas."

Cicada's are both patient and persistent. They are patient as they have waited all these years beneath the earth for the right moment to spring forth. But man, are they persistent now that they've emerged? I've heard several stories

of you trying to get them off your person or out of your car. I've had the same experience. I have a green shirt that they seem to like more than me! To Kim's surprise, one rode into a restaurant with me last week and surprised her as we sat down to eat, and it crawled over my shoulder to look around. She gave him a quick thump, and off he flew to terrorize everyone else.

Cicadas are not afraid to SING OUT! It's been quite a song at our house and the TBA Office. Here's a funny note—the males are making all the noise! In all my years of pastoring, the percentage of guys that like to sing out has usually been small. Men, we need to learn from these strange bugs and sing out so the world can hear our praise. At least, let's make a joyful noise!

But let all who take refuge in you rejoice; let them ever sing for joy, and spread your protection over them, that those who love your name may exult in you. (Psalm 5:11)

Cicadas leave something behind. As they shed their skin, they leave their mark on their territory. I pray I am living in such a way that I

will leave something behind that's of more value than an old shell. Our lives, though not as short as a Cicada's, are short, so we must purposefully live for God's Glory. We must live to provide direction, instruction, and inspiration for the generation following us.

Cicada's work together! Take notice that they've all come out at the same time. Take notice that one or two don't quite sound as loud as millions joining together with their song. Take notice that God made them this way for a purpose. I know our lives are busy and complicated. What if we became so passionate to see God glorified that we made the time, pulled closer together, and worked together? What if our loud and persistent song was the Gospel of Jesus Christ? What if we loved others as God does so that it would leave a lasting imprint on them? I think lost and hurting people would take notice, and the Kingdom of God would welcome many new believers.

Have some fun and be like a Cicada!

You are loved!

Bro. Andy

# MINISTRY NEWS

MAY! Mother's Day, Homecomings, and the end of the school year. It's one of my favorite months of the year. There was a lot going on for us in this exciting month.

May began for me in Boston, MA, visiting one of our NAMB church plants there. King's Hill Church is ministering in such an exciting way to an area that desperately needs the Gospel. Pastor Matt Dellinger took me up to meet the pastor and staff there. I was amazed at their faith and call to impact the lostness of this area. You'll be hearing more about King's Hill as we pursue a partnership with them in this important work. Below left is Matt and me with Pastor Jonathan Moseley at one of our prayer meetings on the top of a high-rise overlooking Fenway Park. Below right is the visiting group.

After returning home from Boston, I was able to attend the National Day of Prayer gathering at the Biblical History Center for this important time in the life of our Nation.

Then, I had the honor to celebrate the 195<sup>th</sup> Homecoming at Flat Shoals Salem Road Baptist Church. What a joy and honor to be with Pastor Randy Warren and the wonderful people of the church for this special day. We enjoyed being led in worship by the Turkey Creek Bluegrass Gospel Band. We also enjoyed visiting with Dr. Almand and his wife Doris during the wonderful lunch in the pavilion.

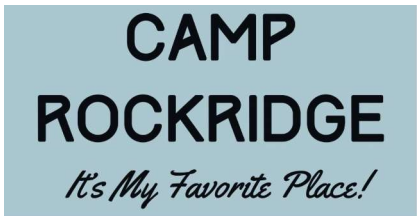

We represented all of you with goodies and thanks to the teacher's at Berta Elementary for Teacher Appreciation Week. They were so appreciative of the snacks for the week. Keep this quiet, but I had to return later in the week to refill the basket because all of the snacks were gone! It must have been the kids.

Sunday, May 19, I had the honor to preach Grad Sunday at Rosemont Baptist. Pastor Adam Camp's youngest daughter is graduating this year and so he asked me to share the message so that he could just be dad on that special day. It was a wonderful time of worship, prayer, and celebration as Student Pastor John Oliver and the church commissioned the graduates to go out and continue spreading the Gospel as they work and further their education. # Camp Rockridge

Camp Rockridge is getting some needed updates and improvements to some of the buildings prior to camp season this summer. Thanks to several generous people in our 3 Associations (Carrollton, Western, and Troup) and some very generous companies in Carrollton the work is getting done. We have been able to remodel the two cabins (Azalea and Dogwood) as well as the outside of Callaway Hall and Daniel Hall. The pavilion is also getting a needed metal roof.

If you haven't been to our associational camp in a while, take time to venture up to Franklin and check it out. Better yet, call me and I'll give you a tour.

I'd like to challenge each of you and our churches to renew our commitment to Camp Rockridge as we go forward. Does your Sunday school class or small group need a mission project? There's all kinds of things that could be done at camp from flower bed adoption, building adoption, to room adoption. You can help. If you would like to make a donation to any of the work or future improvements for camp, please give me a call and we can talk about it. Let's help future generations to say,

**"Rockridge is MY favorite place!"**

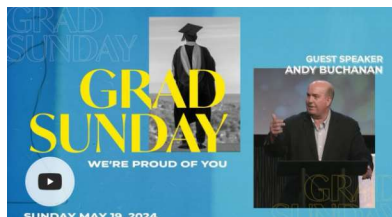

**Camp Sign**  
Remodeled sign with colors and rock face to match buildings.

**Daniel Hall**  
Daniel hall got a new roof, new paint, and a rock front that will feature a raised, backlit, cross when completed.  
This rock look and paint colors match the other buildings and sign at the camp.

**Pavilion**  
Work is finishing up on a new roof over the pavilion with rooms along the back for storage and pool equipment usage.

Listen to the message Wisdom at the Starting Gate from John 21:15-23 on the Rosemont YouTube channel.

Rosemont Praise Team led by Stacy McCord Hardigree were an inspiration. Special shout out to Addie Walker for the closing song.

## 2024 Georgia Statewide Bible Reading

7/14 at 7:14 a.m. ACTS 9-13 Governmental Bldg parking area

On July 14 at 7:14 am, every county in the state of Georgia will be holding the 6th Annual Statewide Bible Reading at county courthouses. For this event in Georgia, the Bible has been divided into 159 readings. As citizens of each county read their portion on July 14<sup>th</sup> at 7:14 a.m., the entire Bible will be read over our state within an hour, or less!

This year, Troup County has been assigned ACTS 9-13. As we assemble on and around the steps of the Juvenile Court, any attendee who would like to participate in the reading will have the opportunity to do so. In 2019, we had a group of 4 who did the reading. Each year since, our numbers have increased, and we hope that many of you will be able to come and read the Word together.

*"If My people, who are called by My name, will humble themselves and pray, and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sin and I will heal their land."*

## *On The Lighter Side*

The children begged for a hamster, and after the usual fervent vows that they alone would care for it, they got one. They named it Danny. Two months later, when Mom found herself responsible for cleaning and feeding the creature, she located a prospective new home for it. The children took the news of Danny's imminent departure quite well, though one of them remarked, "He's been around here a long time-we'll miss him."

"Yes," Mom replied, "But he's too much work for one person, and since I'm that one person, I say he goes."

Another child offered, "Well maybe if he wouldn't eat so much and wouldn't be so messy, we could keep him."

But Mom was firm. "It's time to take Danny to his new home now," she insisted. "Go and get his cage."

With one voice and in tearful outrage the children shouted, "Danny?" We thought you said Daddy!"
