Turn Things Around!

I'm sure you've heard the phrase, "Turn that frown upside down!" Well, I'm here to challenge you and your church to "Turn that summer slump into a summer bump!" Dad, his ministry friends, mentors, and pastor friends have talked about the summer slump all my life and ministry. I have no doubt that it's a real thing because I've seen it at churches I've served over the years. But that's no reason to fold like a cheap suit! I believe we can and should turn it around!

Summer is a great time to be refreshed, travel, and relax. But as you are going and doing, reflect on how you can make your church better by serving, sharing, and supporting all that is happening and all that will happen in the fall as we return to our regular schedule.

Serve Serving never goes out of style and never goes off the radar. It's a way of life we are called to when we surrender our lives to following Jesus. He modeled servanthood for us by "giving His life away." I want to encourage you to take some time to be refreshed, spend with family or friends, or just get away -- BUT remember that you were saved to serve, so get back to what God has called you to as soon as you can both in your church and in your community.

Share

As you go through the summer in your travels and activities, don't forget that you are called to SHARE the GOOD NEWS of the GOSPEL. In fact, Jesus gave us the Great Commission to help us understand that we are to "make disciples" as we are going!

We are the "body" of Christ. I shared recently in a message at Teaver Road that Jesus came to earth and took on an earthly body to live among us (body #1). He lived a sinless life in complete obedience to God the Father, even to "death on the cross." After His resurrection, He ascended into Heaven and sent the Holy Spirit to indwell believers.

Why? So that we could be a part of His BODY (body #2). We **ARE HIS HANDS, HIS FEET, and HIS EYES**. Not only when we are at church but even more so when we are out in our daily activities. There's no vacation from this wonderful privilege we have as those who have been redeemed and those who have the Holy Spirit dwelling within us. Don't ever stop SHARING.

Support

Finally, don't forget to continue supporting your church through your presence and giving.

Ministry doesn't stop at our churches because it's summer. In fact, the expenses are usually greater because of Vacation Bible School, summer events, higher utilities due to hot temps, and that aging HVAC unit that likes to take an unexpected break or altogether quits at the most inconvenient time. Ministry doesn't stop because we are on summer vacation, so let's not be slack in our support of the church personally and financially.

Philippians 2:5-8

⁵ Have this mind among yourselves, which is yours in Christ Jesus, ⁶ who, though he was in the form of God, did not count equality with God a thing to be grasped, ⁷ but emptied himself, by taking the form of a servant, being born in the likeness of men. ⁸ And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross.

How about we put on the mind, attitude, and heart of Jesus and declare,

"If my church has a summer slump, it won't be because of me!"

You are loved!

Bro. Andy

MINISTRY NEWS

June was an exciting month again for the TBA. I'm so honored that I get to be a part of seeing God at work in our association. We started the summer at the end of May by honoring and thanking the teachers at Berta Weathersbee Elementary School. It's always a joyful time!

After several setbacks, we have finally finished the stained glass window repairs at the TBA Office. The damage goes all the way back to the March 2023 storm. I'm thankful for Principle Construction and Doug Pauley for their great work.

On June 2, I was honored to preach at the Homecoming service at Shoal Creek Baptist with Pastor Anthony Hovey and the good people there at SCBC. It was a great service with wonderful food and fellowship afterwards.

On June 9, I enjoyed sharing the Word at Teaver Road Baptist. I enjoyed highlighting that we are the Body of Christ, the People of God, and the Bride of Christ. Join me in praying for TRBC as they search for a Pastor.

On June 15, we celebrated with Pastor Patrick Turner and True Believer's Baptist Church with a grill out for the community of Hillside around our building. Pastor Patrick is a "grilling machine" and knows how to do it! And they shared the food with the community and the homeless shelter. Thanks, Patrick and TBBC!

Finally, Kim and I have enjoyed visiting so many VBS's around the association and seeing all the excitement and joy in the children – AND ADULTS. We've seen so much creativity in decorating, teaching and curriculum. We especially enjoyed working and teaching at Franklin Road's Kids Camp. Pastor Trace Lasher's wife, Ashley, did a great job creating the curriculum for the kids. It's been a great month!

Camp Rockridge

We had a fabulous week at Camp Rockridge this year. Nearly 200 people participated in this great and productive week. I'd like to say a special THANK YOU to Pam Murphy (Camp Director), Pastor Phillip McClung (Camp Pastor), and their staff of leaders for all the hard work of making camp possible. Also, thanks to Rev Tifton Dobbs and his bus company, Dobbs Transportation for providing transportation for us each year. This year we witnessed 14 children giving their lives to Jesus Christ and all the campers being encouraged to "STAND OUT" by holding on to Romans 12:2 which says, "Do not be conformed to this world, but be transformed by the renewing of your mind."

See the Camp Rockridge video on troubaptist.org

In closing, let me encourage you to pray for Rockridge's bright future and spread the word about Camp Rockridge. If you can, take a ride up to Franklin to see all that we've done to improve the camp over the last year. Pray for Rockridge and Rev. Rhodes Skinner as they continue to move us forward.

We're BETTER TOGETHER!

Several of our TBA Churches are offering this important ministry to those dealing with grief. Contact the TBA to find a group near you.

GriefSHARE is a support group to help you move through the grief process. A GriefShare support group is a safe, welcoming place where people understand the difficult emotions of grief. Through this 13-week group, you'll discover what to expect in the days ahead and what's "normal" in grief. Since there are no neat, orderly stages of grief, you'll learn helpful ways of coping with grief, in all its unpredictability—and gain solid support each step of the way.

What a blessing to see so many families come out to learn more about Jesus, eat and fellowship together, make fun things, and play games! 2024 Georgia Statewide Bible Reading

7/14 at 7:14 a.m. ACTS 9-13 Governmental Bldg parking area

On July 14 at 7:14 am, every county in the state of Georgia will be holding the 6th Annual Statewide Bible Reading at county courthouses. For this event in Georgia, the Bible has been divided into 159 readings. As citizens of each county read their portion on July 14th at 7:14 a.m., the entire Bible will be read over our state within an hour, or less!

This year, Troup County has been assigned ACTS 9-13. As we assemble on and around the steps of the Juvenile Court, any attendee who would like to participate in the reading will have the opportunity to do so. In 2019, we had a group of 4 who did the reading. Each year since, our numbers have increased, and we hope that many of you will be able to come and read the Word together.

"If My people, who are called by My name, will humble themselves and pray, and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sin and I will heal their land."

A man hires a young girl to paint his porch. He tells her that the brushes, paint, and ladders are in the garage. About 30 minutes later he hears a knock and answers the door. The girl lets him know that she is finished.

"Wow" he says, "that was quick.

Did you have enough paint?"

"Yup, enough for 2 coats!" she replies.

The man thanks and pays her.

As she's leaving she turns around and says,

"By the way, it's not a porch. It's a Ferrari."
